FOREST HEIGHTS SPRING CLEANUP

The Town of Forest Heights concluded its Spring Cleanup Week with the Cleanup Greenup on Saturday, April 20th, 2019. Volunteers removed trash from Livingston Road, Talbert Drive, and Oxon Run by Forest Heights Elementary School. We also worked on cleaning the Community Garden on North Huron Drive. We had an amazing turnout, with over 25 bags of material collected including 7 bags of recycling. The Town of Forest Heights would like to thank the Alice Ferguson Foundation for their support, our amazing volunteers, staff, Councilwoman Hines, Councilman Kennedy, and Mayor Muhammad who came out to help the community.

SPECIAL THANKS:

The Town of Forest Heights Cleanup volunteers would like to say a big thank you to Papa Johns Pizza at Oxon Hill and their manager, **Mr. Bheskar Joshi**. We wanted to share with the community our appreciation of the generous donation of pizza for our annual spring cleanup.

GREEN TEAM MEETING

Calling all Green Thumbs! Forest Heights Community Green Team Meeting is on Thursday, May 16 at 4:00 PM.

If you would like to be on the list but can't attend, please contact Mrs. Sherletta Hawkins (Bean) at 301-839-1030.

WEATHERIZATION ASSISTANCE STILL AVAILABLE

The Town of Forest Heights, as part of the Prince George's County Municipal Collaboration, is offering free weatherization upgrades to qualifying homeowners. Qualification is based on income level. Veterans/Retired homeowners will be given preference. To find out more about the program and how to apply, visit the Municipal Building to pickup a brochure during normal business hours Monday-Friday, 8:30 AM-5:00 PM.

From the Town Code Enforcement Department:

Section 11.2-B of the Town Ordinance Code mandates that all yards, lawns, lots, and vacant areas immediately adjacent to improved property should be kept clean from weeds and brush exceeding 8 inches in height.

REMINDER: PET WASTE STATIONS IN FOREST HEIGHTS

The Town of Forest Heights has installed Pet Waste Stations along walkways and roads throughout Town. These stations come with waste bags and a place to put it. It is important to keep the Town free of Pet Waste. We ask that everyone do their part in keeping Forest Heights a Green community.

Tree Law

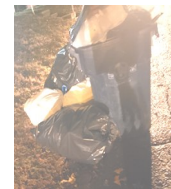

In Maryland, a property owner may utilize "self-help" to trim back at the property line any tree branches or roots encroaching from an adjoining property. This includes trimming overhanging branches located above the ground that break the imaginary plane located along the property line. The exception is that any trimming of encroaching branches or roots must not be so severe as to threaten the health of the adjoining property owner's tree or other vegetation. If a tree straddles the property line, it is considered jointly owned by both neighbors and both must agree to any removal or pruning of the boundary line tree, unless the tree immediately presents an unsafe condition. Another exception to the self-help remedy exists with regard to roadside trees. Any person who desires to cut down or trim any roadside tree must apply to either the Maryland Department of Natural Resources or the local government (county or municipality) for a permit.

Nonetheless, permits are not required to trim a tree that is uprooted or has branches broken so as to endanger persons or property unless local ordinances state otherwise. Roadside trees are typically located within the unimproved portion of the public right-of-way. However, one should check with the Town and/or a recorded plot to determine the exact location of the property lines.

When dealing with dead trees, the owner on whose property the dead tree stands may have a duty to prevent injury to neighbors or passersby where the tree poses a danger. The owner of an urban tree, such as in Forest Heights, typically has a higher legal duty to use reasonable care to protect the safety of others. If an urban property owner had notice or was otherwise made aware of a dangerous tree condition, he or she would be held responsible for any damages or injuries to unsuspecting persons or property caused by fallen dead branches. If the fallen tree or branch occurs without prior notice or occurs to a healthy tree, it is often referred to as an "Act of God" and the owner is typically not considered to be liable.

REMINDER: FOREST HEIGHTS TRASH AND RECYCLING

Trash must be placed in the proper container. There should not be any trash bags sitting beside or on top of the trash can. Trashcans should be put out the night before collection. Construction debris, appliances, soil and liquids (as examples) are not acceptable. Failure to adhere to these rules will result in your trash not being picked up and a citation. Yard Waste must be in a brown bag, in a container specifically marked Yard Waste, or, if it is brush, should be bundled and not exceed 4 feet in length. Hazardous materials should be taken to the Prince George's County Brown Station Road Sanitary Landfill in Upper Marlboro. **No Trash pickup on Monday, May 27 (Memorial Day).**

.La basura debe colocarse en el recipiente adecuado . No debe haber bolsas de basura al lado o encima del bote de basura. Los botes de basura deben ser colocados la noche antes de la recolección. Los desechos de construcción, electrodomésticos, suelo y líquidos (como ejemplos) no son aceptables. El incumplimiento de estas reglas hará que su basura no sea recogida y una citación. Los desechos de jardín deben estar en una bolsa marrón, en un recipiente específicamente marcado como desechos de patio o, si se trata de un cepillo, deben estar agrupados y no deben exceder los 4 pies de longitud. Los materiales peligrosos se deben llevar al relleno sanitario de Brown Station en el condado de Prince George en Upper Marlboro. **No recolección de basura el lunes 27 de mayo (Día de los Caídos).**
